

LIVOS VIDA NATURAL FACE PAINT

Range of Application: For adults and children, body and face makeup/paint.

VARIATION OF USES:

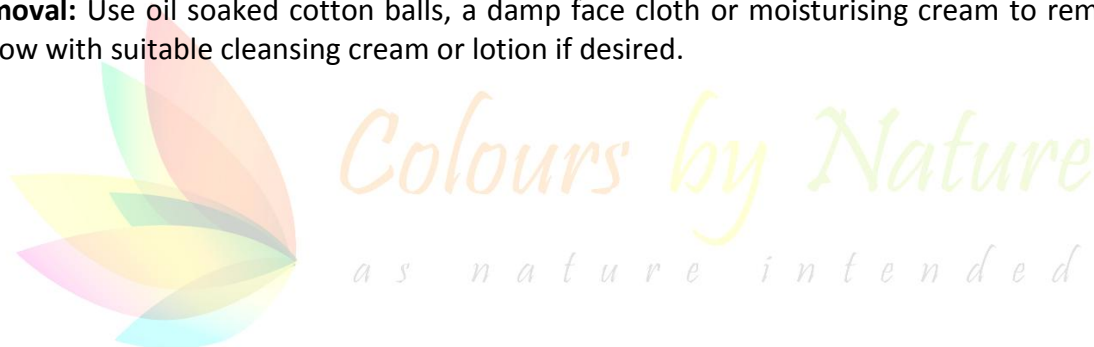

Technical Qualities: Pigmented, water/saliva resistant.

Safety advice: Avoid contact with eyes.

Foundation: Moisturise dry skin before application (not necessary for normal or oily skin)

Application: Apply fine lines of desired motif with a cloth wrapped pencil for colouring, and then use a wide brush to fill in lines. To mix different colours, apply each colour separately and very thinly with a brush, one over the other. Add a little oil to make colours creamier.

Removal: Use oil soaked cotton balls, a damp face cloth or moisturising cream to remove. Follow with suitable cleansing cream or lotion if desired.
